392. SHRI GURUDAS DAS GUPTA: Will the Minister of FINANCE be pleased to state:

(a) whether a retired Deputy General Manager and others of the London branch of the Central Bank of India have been chargesheeted in a related case of the biggest bank fraud of Rs. 750/- crore;

(b) if so, the details thereof;

(c) when the fraud was detected and whether all those involved have been arrested and chargesheeted; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI DALBIR SINGH): (a) to (d) Information is being collected and to the extent possible, will be laid on the Table of the House.

Damodar River Polluted by Industrial Effluents

393. SHRIMATI KAMLA SINHA: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether it is a fact that Damodar river and its tributories have been polluted by the industrial effluents;

(b) whether it is also a fact that 25 thousand square kilometer land area of Bihar have become unfertile as a result thereof and irrigation, drinking water have also been adversely affected; and

(c) if so, what corrective measures are being taken by Government in this regard?

THE MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI KAMAL NATH): (a) Yes, Sir.

(b) The Government has not received any information that 25 thousand square kilometer land area of Bihar has become unfertile directly due to discharge of industrial effluents but there have been reports of need for soil conservation and checking of silt in the valley. However, the water of Damodar River is unfit for drinking without treatment.

(c) In order to abate the pollution of the Damodar River the following steps have been taken:

(i) The Central Pollution Control Board is co-ordinating wtih the state Governments of Bihar and West Bengal, measures to monitor river quality.

(ii) Water quality monitoring stations have been set up by the State Board for the Damodar River.

(iii) The State Government of Bihar has issued directions under Environment Protection Act, 1986 to the Bokaro Thermal Power Station of DVC, Kathora Washeries, Dugdha Washeries West Bokaro Collieries and IEL Gomia. Cases under the Water (Prevention and Control of Pollution) Act, 1974

have also been filed against the Patratu Thermal Power Plant, Bokaro Thermal Power Plant and the Giddi, Borora and Kathora coal washeries.

(iv) Government of India has given time till December 31, 1991 to meet the prescribed standards for the industries that belong to the 17 highly polluting categories. The States have been directed to enforce this time limit.

Finance of Narco-Terrorism by Bank of Credit and Commerce International

394. SHRI KRISHAN LAL SHARMA: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that Bank of Credit and Commerce International financed narco-terrorism in India;

(b) number of cases of narco-terrorism detected by the Government during 1990 and 1991 as in dates; and

(c) reaction of the Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI DALBIR SINGH): (a) to (c) The information is being collected and will be laid on the Table of the House.

Privitisation of NTC Mills

395. SHRI HARVENDRA SINGH HANSPAL:

SHRI SURESH KALMADI:

Will the Minister of TEXTILES be pleased to state:

(a) whether there is a proposal under Government's consideration to place some of the NTC Mills in the country in the private sector;

(b) if so, the facts and details thereof;

(c) what is the number of NTC Mills in the country which are running at a loss;

(d) what are the factors responsible for their losses;

(e) whether Government have recently contemplated any measures to revamp the loss making NTC Mills; and

(f) if so, what are the details thereof?

THE MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF TEXTILES (SHRI ASHOK GEHLOT): (a) No, Sir.

(b) Does not arise.

(c) During the year 1990-91, 89 mills had reported provisional net losses in their operations.

(d) The major factors responsible for losses in NTC Mills are obsolete machinery, low productivity and surplus labour force.

(e) and (f) National Textile Corporation has drawn a strategy for turnaround which, *inter-alia* includes:

(i) modernisation of potentially viable mills;

(ii) pruning of uneconomic capacities;

(iii) optimising utilisation of production capacities;

(iv) achieving higher productivity;

(v) labour rationalisation;

(vi) competitive purchase of raw materials;

(vii) higher yarn production;

(viii) price optimisation;

(ix) product upgradation.
